

IS CENTRAL PAYMENTS A FIT FOR ME?

Do I Demonstrate the Following Professional Behaviors?

- Fairness and transparency towards customers and an understanding of what it means to: *“Treat Each Customer’s Balance as Though It’s All They Have.”*
- A selfless commitment to teamwork and comradery.
- A data-driven approach to analysis.
- Thrive on accountability and passionate about contributing.
- Take ownership in solving problems with urgency.
- An internal drive to become a subject matter expert in my position.
- Desire to always learn more about our company and our industry.
- Ability to interact effectively with coworkers, clients, and vendors and obtain required deliverables and effect results.
- Work products never sacrifice on quality or timeliness.
- Commitment to performing all duties in compliance with all applicable federal and state consumer protection laws, regulations, and regulatory guidance documents that impact the business.
- Embodiment of my job responsibilities and any other tasks important to the team and company.
- Good judgment as well as resourcefulness, tact and diplomacy.
- Self-motivated, quick learner with a constant commitment to work with urgency.
- An understanding of payment systems and/or consumer financial services.
- Championing your ideas, initiatives and deliverables to fruition and not just to the point of hand-off.
- Humble enough to offer up some self-deprecating humor to create needed levity.
- Doing just what is asked of me is not satisfying.
- Visionary who wants to share thoughts and opinions that are constructive and relevant to the future of the company and our objectives.
- Proven ability to remain organized while constantly multi-tasking and reprioritizing daily workload.
- Effectiveness when working independently and initiative to learn without explicit instruction.
- Desire to grow professionally by taking on more responsibility and leadership opportunities.
- Proven experience and success at small, fast-paced companies.
- Performance excellence by doing more with less.
- Comfort with working with datasets to perform analysis impacting the customer experience, financial performance, operational flows, or quality assurance/compliance.
- Proficiency with software applications, particularly MS Word and MS Excel (Salesforce, Jira, Access, MS Project, SQL, Smartsheet or other collaboration solutions a plus).
- No task is beneath me.
